**Re: Ex Parte
CC Docket Nos. 01-338, 96-98, 98-147**

Dear Secretary Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, this will provide notice that Gavin McCarty, Chief Legal Officer, Globalcom, Inc., Gregory Robertson, Chief Financial Officer, and the undersigned, on behalf of Globalcom, met with Daniel Gonzalez, Office of Commissioner Martin, on February 3, 2003 and had a conference call with Jordan Goldstein, Office of Commissioner Copps, on February 4, 2003 concerning issues in the above-referenced proceedings.

During the meeting and conference call, Globalcom presented its views as set forth in the the *Ex Parte* letters Globalcom filed in the above-referenced proceedings dated January 29, 2003 and November 13, 2002. In these letters, Globalcom urges the FCC to adopt a rule similar to the one adopted in October 2002 by the Illinois Commerce Commission that relieves a competitive carrier of paying special access early termination fees when the competitive carrier commits to maintain the converted UNE loop and transport combination for the remaining duration of the special access contract term. As additional support to Globalcom's proposed rule, the attached document was provided and the implications of it were discussed. This notice is being filed electronically.

Sincerely,

Philip J. Macres
